## Game Day Information

- Although Victoria has been declared Covid free, there are still some rules we have to follow until the Government moves to 'Covid Normal' or beyond.
- We will have a payment and check-in table set up inside the foyer, straight ahead from the main entrance. Also a sanitizing station in the foyer with disinfectant wipes and liquid hand sanitizer.
- All players and spectators must check-in using the QR code from the table in the foyer. If you do not have a phone to check-in with, we will take your details using pen and paper. Data is held for a maximum of 28 days and will only be used for Covid-19 tracing by the Victorian Department of Health if requested.
- Game fees must be paid before your team will be allowed access to the courts.
- Team captains are to pay their game fee 15-20 mins prior to their scheduled start time. Captains are to also list their players names on the score sheet. Teams will then be given access to the courts about 10 mins prior to their scheduled start time.
- Warm up balls will not be provided, teams will need to bring their own.
- At the end of the game, the referee will ask for the Captains first name and sign the score sheet on their behalf.
- Teams are not to shake hands after their game, but air guitars are allowed.
- Teams are to leave the playing courts as soon as their game is finished.
- Game balls and seating benches will be cleaned and sanitized during the 15 minute changeover.
- All players must perform at least one awesome spike during their game! 😊
- Thank you for your cooperation.
